**G** In my mind

^

In a future five years from now

D

I'm a hundred and twenty pounds

С

And I never get hung over

G

Because I will be the picture of discipline

D

Never minding what state I'm in

č

And I will be someone I admire

D

And it's funny how I imagined

С

That I would be that person now

D

But it does not seem to have happened

С

Maybe I've just forgotten how to see

С

That I am not exactly the person that I thought I'd be

And in my mind

In the faraway here and now

I've become in control somehow

And I never lose my wallet

Because I will be the picture of discipline

Never fucking up anything

And I'll be a good defensive driver

And it's funny how I imagined

That I would be that person now

But it does not seem to have happened

Maybe I've just forgotten how to see

That I'll never be the person that I thought I'd be

And in my mind
When I'm old I am beautiful
Planting tulips and vegetables
Which I will mindfully watch over
Not like me now
I'm so busy with everything
That I don't look at anything
But I'm sure I'll look when I am older
And it's funny how I imagined
That I could be that person now
But that's not what I want
If that's what I wanted
Then I'd be giving up somehow
How strange to see
That I don't wanna be the person that I want to be

And in my mind I imagine so many things Things that aren't really happening And when they put me in the ground I'll start pounding the lid Saying I haven't finished yet I still have a tattoo to get That says I'm living in the moment And it's funny how I imagined That I could win this winless fight But maybe it isn't all that funny That I've been fighting all my life But maybe I have to think it's funny If I wanna live before I die And maybe it's funniest of all To think I'll die before I actually see That I am exactly the person that I want to be

Fuck yes! I am exactly the person that I want to be!
